December 2009 Newsletter

A Word from our President: Marty Young

I hope everyone is having a great Thanksgiving and is looking forward to our holiday party December first. When I called to request the building be opened earlier to allow for the set up, I talked to Janet about the sports people and the parking issue.

The good news is the season is over and that should help. She also talked to the coach and asked that they park at the Civic Center and walk to their fields. If we continue to have issues as other sports teams start up, I can contact her and have her address it to the coach.

She had not gotten a complaint from the restaurant but had heard from the dog people about the problem and they blocked off spaces for them.

Thanks to Betty and Lisa for bring the refreshments in October.

For our holiday party be sure to bring serving pieces and to mark them so you can find yours to take home.

See you December first !

Marty
