A Word from our President: Marty Young

*It is almost time for our November meeting. Hope to see everyone Tuesday*

After our October meeting the owner of the restaurant across the street stopped Brandaen and Carole and was upset because of all the people that were parking behind the restaurant and his customer's could not find a place to park. He said he was going to tow next month. I do not think it was all our club but beware of parking across the street.

Thanks to Maria and Kay for the refreshments in October. In November we will be signing up for the goodies for Christmas

As a reminder Kathy is retiring from chairing Fun Day. If you are interested in taking over for Kathy in 2010 please let me know. We really need to get someone who is willing to take over or we will not be able to continue to have this source of income. As you may know the dues we pay do not cover the rent for the building let alone the projects we are able to do in our workshops.

Marty
