April 2010 Newsletter

A Word from our President: Marty Young

SPRING has finally arrived. I thought I moved to Florida and would never have winter again but this winter reminded me of one of the reasons I am glad I do not live in Baltimore any more.

It is also time to clean out your miniature closets and bring your old treasures for someone else to buy to make room for new. April is the annual garage sale. Bring anything you want to sell and money to buy new treasures.

For the April project be sure to bring scissors and glue.

Thank you to Susan and Marty for treats and drinks in March.

April is also time for elections. If you have any nominations please make sure you talk to Eve, Carole or Brandaen before the meeting.

We will also be continuing our discussion on "Reality Check" regarding Fun Day. Please be ready to take part in this very important discussion.

See you April 6

Marty

Club Project for 2010: Please bring scissors and glue .

Sunshine: No one has called Kathy G , so if you need any cards sent out please let her know .

Funday : A big thank you to all the teachers, planners, builders, and packaging people. A huge thanks to Eve, Alma, Kathy G , and Maryanne!!

Old Business :

New Business: New historian will be Marcia Long. Nomination time for officers, see one of the committee to nominate someone as an officer.

- Reality check for funday : participation and preparation, we spend one hour each club meeting to build for funday, It is not enough, these items still must be finished in others' free time. All items for this years funday had to be hand done, all wallpaper had to be cut and many other items had to be created for teachers and participants. Storage: space is limited and all the items must be stored at someones home. Honestly 6 hours is not enough time to complete funday in the club meetings and there are so few people who do all the work for funday . Bottom line is that more effort needs to be shown form club members, if you want the wonderful items for the club project every year than we must work for it.

- Funday at a new location possibly Leu gardens ?
- Take time till the next meeting to table ideas for Funday
 - **Remember that we all enjoy our club projects and the dues we receive from members every year is not enough to pay for the wonderful items we get to enjoy .**
