**Club Project for 2010:** For the canisters project in June, please bring glue, paint, ( if you want to paint the project at meeting) and sandpaper. All who signed up for the project are participating yay !

**Sunshine:** Kathy G's husband passed away shortly after the meeting, please let her know how much we care and express to her anything and all things that she might need at this most sad time in her life. Barbara Stetz is doing very well after knee surgery .

If we missed your birthday, please forgive and let editor know for the future.

**Funday :** The new 2011 project will be florist shoppe there will be only 50 total for the actual event do to size restraints. We intend to have workshops for the actual construction this time around so it doesn't all fall to a few people to build funday. Only 6 total hostesses/hosts will be needed this time around and they will float around the tables. We need vase ideas and flower ideas for the funday project. The price is still to be decided to compensate for the loss in participants.

**Old Business :** The Lake Mary historical society will go ahead with the miniature Christmas display. By September we will need to give the museum an idea of how much room we will need for the actual display.

**New Business:** This meeting dues were needed for membership in the club.

Any errors in spelling or if I have left out any items, please let me know politely so that I can fix any and all errors. Thanks very much ,
